RE: Next Resident Member of the Residency Review Committee (RRC)

Accreditation Council for
Graduate Medical Education

515 North State Street
Suite 2000
Chicago, Illinois 60610

Phone 312.755.5000
Fax 312.755.7498
www.acgme.org

The RRC is requesting nominations for their next Resident Member.

If you would like to recommend one of your residents, nominations should be submitted (by mail, e-mail, or fax) by **October 31, 2008**, and must include:

1. Your letter of recommendation, which must confirm that you will provide the resident time away from your program to attend an orientation session, two RRC meetings per year, and two Council of Review Committee Residents meetings per year.
2. The resident's personal statement, outlining educational goals, professional interests, and intent to serve if elected to the Committee; and
3. An up-to-date copy of the resident's CV.

The RRC will review nominations later this year. Program directors who submit nominations will be notified of the Committee's selection following that meeting.

Qualifications of the RRC Resident Member:

1. The nominee must be a PGY-1 or PGY-2 in an ACGME-accredited Dermatology residency program during the current academic year.
2. The nominee must be able to attend RRC Orientation in Chicago on March 20, 2009, as well as the RRC meeting in Montreal on May 30-31, 2009 (as an observer).
3. The nominee must be able to serve on the RRC from July 1, 2009 through June 30, 2011. Typically, the RRC meets twice a year—one weekend in March or April and one weekend in August or September. (Dates and locations have not yet been scheduled.)
4. The nominee cannot be from the same institution as any member of the RRC.

Responsibilities of the RRC Resident member:

The Resident Member will participate as a full voting member in all RRC activities, including program review and policy discussion. The Resident Member would be subject to the same confidentiality, conflict of interest, and fiduciary responsibility policies that the other members follow.

Also, the RRC Resident Member is expected to participate on the Council of Review Committee Residents (CRCR), comprising the Resident Members of every ACGME Review Committee. The CRCR meets in Chicago twice a year—once in February and once in September.

Additional Information

More information about the ACGME and the RRC can be found at www.acgme.org. Please contact Billy Hart, the RRC Accreditation Administrator with specific questions:
