

IV. Educational Program
A. Curriculum components
5. ACGME Competencies
a. Patient Care

Common Program Requirement:

5. *ACGME Competencies*
The program must integrate the following ACGME competencies into the curriculum:
- a. *Patient Care*
Residents must be able to provide patient care that is compassionate, appropriate, and effective for the treatment of health problems and the promotion of health. Residents:
[As further specified by the Review Committee]

- **Documentation for patient care:** Provision of learning experiences can be documented through rotation schedules, written goals and objectives, and resident files, which should be available for site visitor review. Completed procedure/case logs, if applicable, should also be available for site visitor review. There are also specialty-specific forms of required documentation indicated in many specialty PIFs. This information may be verified by the site visitor through interviews as needed.
