

## CASE ENTRY FOR DIAGNOSTIC RADIOLOGY

Click on the Case Entry tab and the Add Experience Summary Entry page will Display.

After you click on the [Add Cases](#) link, the Add Experience Summary Entry page will display. If you are a resident your name will automatically appear. If you are the administrator you will be able to choose the resident from the drop down list.

Click on the Add Examinations link to add in cumulative totals for the categories.

Enter the Resident Year in Program and Date in which you are entering the data. Example if you are entering in totals for the month of May, you could enter in the date 05/31/2005. Enter in the Count for each of the categories that applied. When finished entering in the aggregated procedure data, click on the “Save” button. Click on “Cancel” to return to the Experience Summary Section.
