For Windows phone, or laptop, you’ll need to use the web version of the app found here: https://event.crowdcompass.com/2019acgme

1. From your browser (Edge, Internet Explorer, Chrome, Firefox, etc.) type in the above link into the address bar of your browser and press enter. You will see the following screen. Click on the Log In button.

2. Enter in your first and last name as you typed it into the registration system.

   Click Next.

3. Enter in your email address.

   Click Next.
4. You will receive an email with a verification Code:

Please do not share this code. This code is specific to your registration.

5. On the browser screen enter the 4 digit verification code you received by email.

This will then log you in to the Annual Educational Mobile Website App

6. You will then be able to Navigate the website app through the left navigation bar.
