University of Notre Dame
The Baldwin Seminar Series, named in honor of Dr. DeWitt C. Baldwin Jr., is a series of didactic seminars spaced throughout the year and held at the ACGME headquarters. The goal of the Baldwin Seminar Series is to develop an educational interchange between colleagues that will stimulate intelligent thinking on pertinent topics. By doing this, the ACGME provides continuing professional development for physician-educators, ACGME staff members, and other GME professionals in furtherance of the ACGME mission.

CME Information

The Accreditation Council for Graduate Medical Education (ACGME) is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The ACGME designates this live educational activity for a maximum of 1.5 AMA PRA Category 1 Credits™. Physicians should claim only the credits commensurate with the extent of their participation in the activity.

Disclosure of Significant Relationships with Relevant Commercial Companies and Organizations

The ACGME endorses the Standards of the Accreditation Council for Continuing Medical Education and the Guidelines for Commercial Support. Every effort has been made to encourage faculty to disclose any commercial relationships or personal benefit with commercial companies whose products are discussed in the educational presentation. Disclosure of a relationship is not intended to suggest or condone bias in any presentations, but is made to provide participants with information that might be of potential importance to their evaluation of a presentation. All faculty participating in continuing medical education activities sponsored by the ACGME are expected to disclose to the activity audience any real or apparent conflict(s) of interest related to the content of their presentation(s).

Conflict of interest statements were reviewed for all conference planners, and for presenters of certified sessions. All individuals indicated they have no commercial relationships in relation to this content. There will be no discussion of investigational or off label use of FDA regulated products or devices.

By attending this event, you understand that you may be photographed and/or electronically recorded during the event. You hereby give consent and authorize the Accreditation Council for Graduate Medical Education and/or ACGME International LLC, hereafter jointly referred to as “Company,” to publish your name and likeness, including photographs, digital images, video or audio recordings, and the like taken of you while attending the Baldwin Seminar Series for promotional or educational purposes in the Company's print, online, and video-based marketing materials, as well as other Company publications in other mediums without compensation.

You hereby release and hold the Company, its contractors, its employees, and agents harmless from any reasonable expectation of privacy or confidentiality associated with the likenesses referenced above from liability for any claims by you or any third party in connection with your participation.
