THE BASICS OF ACCREDITATION

For New Program Coordinators

These workshops target program coordinators with fewer than two years of experience in their role, as well as those at any level from osteopathic programs new to ACGME accreditation.

ACGME Headquarters
401 North Michigan Avenue
Suite 2000
Chicago, Illinois 60611
Goal
This one-and-a-half-day intensive workshop is designed to assist new program coordinators in understanding the basics of ACGME accreditation of residency and fellowship programs.

Who Should Attend
This interactive workshop is designed for individuals who assist the program director in administration of the program and are new to the accreditation process. The information given in this workshop is very introductory; it is not designed for seasoned coordinators.

General Workshop Information
All workshops take place at the ACGME offices in Chicago, Illinois. The schedule runs from 7:30 a.m. to 4:00 p.m. on Monday, and 8:00 a.m. to 12:00 p.m. on Tuesday. The agenda includes introductory information concerning the ACGME, its Review Committees, and the accreditation process. Attendees will have the chance to meet their specialty’s Review Committee staff during a specialty-specific session. Workshops are led by ACGME senior staff members; administrative staff members from the applicable Review Committee; staff representatives from the Departments of Applications and Data Analysis, Milestones, Education, and Field Activities; and a guest coordinator. Each attendee is provided a laptop to use during the workshop. Dress is business casual.

Registration
Registration is limited to coordinators who are new to their positions and who wish to learn the fundamentals of the accreditation process. Program coordinators from osteopathic programs transitioning to ACGME accreditation may also benefit from this workshop. This workshop is not meant for program directors, associate program directors, designated institutional officials, or experienced coordinators.

The registration fee is $495 and includes all activities, materials, refreshments, and catered lunch. Credit card payment is required at the time of registration.

Registration is limited to 60 individuals per workshop. Registration must be completed online; faxed or mailed-in registrations are not accepted.

A confirmation e-mail will be sent immediately after registration has been submitted with payment. Again, only credit card payments are accepted. Do not make plane or hotel reservations until registration is confirmed.

Cancellation and Refund Policies
A full refund is given until 30 days prior to the workshop date. Cancellations requested less than 30 days before a scheduled workshop will incur a $100 administrative fee. No refunds are granted for cancellations made seven days or less before a workshop. No-shows will result in forfeiture of the entire registration fee. Registration fees are not transferable to future workshops or conferences.

Cancellations must be made in writing and sent by e-mail to Educational Projects Assistant Liz Johnson: registration@acgme.org.

Hotel Accommodations

Upon receiving your workshop registration confirmation email, you should book your hotel accommodations. There are a number of hotels, restaurants, theaters, museums, shopping options, and other major entertainment and cultural attractions within walking distance of the hotel and the ACGME office.

The ACGME has reserved a block of rooms at the best possible rate with Courtyard by Marriott Chicago Downtown/River North located at 30 East Hubbard, Chicago, IL 60611; these rooms are available on a first-come, first-served basis. You must identify yourself as an ACGME workshop participant to receive the workshop rate. The number of allotted rooms fluctuates by specialty workshops due to conferences and events taking place on those dates in the area. We selected Courtyard by Marriott Chicago Downtown/River North because they provided the lowest rates for the 2018 coordinator workshop season, but it is a five- to 10-minute walk to the ACGME offices. A detailed map with directions will be e-mailed to attendees closer to the workshop dates. There are other hotels in closer proximity to the ACGME at which attendees may prefer to make reservations at their own discretion and for a significantly higher room rate.
