

Milestones 2.0

Completed Specialties and Subspecialties and Effective Dates

This list will be updated as specialties and subspecialties complete the revision of the Milestones.

Effective July 1, 2018

- Neurological Surgery
- Regional Anesthesiology and Acute Pain Medicine

Effective July 1, 2019

- Addiction Medicine
- Pathology
- Hospice and Palliative Medicine
- Transitional Year

Effective July 1, 2020

- Allergy and Immunology
- Dermatology
- Ophthalmology
- Cardiovascular Disease
- Family Medicine
- Radiology - Diagnostic
- Clinical Biochemical Genetics
- Laboratory Genetics and Genomics
- Radiology - Interventional
- Complex General Surgical Oncology
- Medical Genetics and Genomics
- Sleep Medicine
- Surgery
- Urology

Effective July 1, 2021

- Advanced Heart Failure and Transplant Cardiology
- Hematology and Medical Oncology
- Pediatric Pathology
- Anesthesiology
- Hematopathology
- Pediatric Rehabilitation Medicine
- Blood Bank and Transfusion Medicine
- Infectious Disease
- Pediatric Urology
- Brain Injury Medicine
- Internal Medicine
- Physical Medicine and Rehabilitation
- Chemical Pathology
- Internal Medicine – Pediatrics
- Preventive Medicine – Aerospace Medicine
- Child Neurology
- Interventional Cardiology
- Preventive Medicine – Occupational Medicine
- Clinical Cardiac Electrophysiology
- Medical Microbiology
- Psychiatry
- Colon and Rectal Surgery
- Medical Oncology
- Pulmonary Critical Care
- Critical Care Medicine
- Molecular Genetic Pathology
- Pulmonary Disease
- Cytopathology
- Musculoskeletal Radiology
- Rheumatology
- Emergency Medicine
- Nephrology
- Selective Pathology
- Endocrinology, Diabetes, and Metabolism
- Neurodevelopmental Disabilities
- Spinal Cord Injury Medicine
- Endovascular Surgical Neuroradiology
- Neurology
- Surgical Critical Care
- Forensic Pathology
- Neuropathology
- Thoracic Surgery
- Gastroenterology
- Neuroradiology
- Transplant Hepatology
- Geriatric Medicine
- Nuclear Radiology
- Vascular Neurology
- Hematology
- Orthopaedic Surgery
- Vascular Surgery
- Pediatrics

Effective July 1, 2022 *(additional (sub)specialties may be added through May 2022)*

- Abdominal Radiology
- Addiction Psychiatry
- Clinical Neurophysiology
- Consultation-Liaison Psychiatry
- Dermatopathology
- Epilepsy
- Geriatric Psychiatry
- Medical Biochemical Genetics
- Micrographic Surgery and Dermatologic Oncology
- Neuromuscular Medicine
- Obstetrics and Gynecology
- Osteopathic Recognition
- Otolaryngology
- Pediatric Radiology
- Pediatric Surgery
- Radiation Oncology
- Sports Medicine
- Undersea and Hyperbaric Medicine
