Selected Publications and Resources Pertaining to Rural GME

Disclaimer: Statements or opinions expressed in the listed publications and resources reflect the views of the author(s) and do not necessarily reflect the official policy or views of the ACGME or its staff members.

Pertaining to Rural Tracks/Programs:

1. Improving the Health of Rural Communities Through Academic-Community Partnerships and Interprofessional Health Care and Training Models (September 2022)
2. Rural Graduate Medical Education: Choosing the Road “Less Traveled By” (September 2022)
3. Rural Residency Training as a Strategy to Address Rural Health Disparities: Barriers to Expansion and Possible Solutions (August 2021)
4. Cultivating Healthy Governance in Rural Programs (April 2021)
5. A Roadmap to Rural Residency Program Development (August 2020)
6. Preparing Physicians for Rural Practice: Availability of Rural Training in Rural-Centric Residency Programs (October 2019)
8. Rural Medical Education Programs: A Proposed Nomenclature (June 2017)
9. Training Psychiatrists for Rural Practice: A 20-Year Follow-up (October 2014)
10. Training Physicians for Rural Practice: Capitalizing on Local Expertise to Strengthen Rural Primary Care (January 2011)
11. A Residency Training in Rural Psychiatry (September 2009)
12. Putting “Rural” Into Psychiatry Residency Training Programs (November 2007)

Pertaining to Predictors of Rural Practice and Graduate Outcomes (*indicates UME focus):

15. Rural Workforce Years: Quantifying the Rural Workforce Contribution of Family Medicine Residency Graduates (December 2020)
17. A Successful Effort in Reaching Rural Communities (February 2018)*
18. Physician Retention in the Same State as Residency Training: Data From 1 Michigan GME Institution (October 2016)
19. Predictors of Primary Care Physician Practice Location in Underserved Urban and Rural Areas in the United States: A Systematic Literature Review (September 2016)
20. Outcomes of Rural-Centric Residency Training to Prepare Family Medicine Physicians for Rural Practice (March 2016)
22. Thirty Years Training Rural Physicians: Outcomes From the Michigan State University College of Human Medicine Rural Physician Program (January 2016)*
23. A Decade of Rural Physician Workforce Outcomes for the Rockford Rural Medical Education (RMED) Program, University of Illinois (December 2013)*
24. Do Residents Who Train in Safety Net Settings Return for Practice? (December 2013)
26. The Impact of Rural Training Experiences on Medical Students: A Critical Review (February 2011)*
27. Which Medical Schools Produce Rural Physicians? A 15-Year Update (April 2010)*
28. Efforts to Graduate More Primary Care Physicians and Physicians Who Will Practice in Rural Areas: Examining Outcomes From the University of Minnesota-Duluth and the Rural Physician Associate Program (April 2010)*
29. Why Doctors Choose Small Towns: A Developmental Model of Rural Physician Recruitment and Retention (November 2009)
30. Medical School Programs to Increase the Rural Physician Supply: A Systematic Review and Projected Impact of Widespread Replication (March 2008)*
31. Rural Origins and Choosing Family Medicine Predict Future Rural Practice (June 2007)
32. Critical Factors for Designing Programs to Increase the Supply and Retention of Rural Primary Care Physicians (September 2001)*
33. Outcomes of Rural Training Tracks: A Review (June 2000)

Pertaining to Supply and Distribution of Rural Workforce:

34. Supply and Distribution of the Primary Care Workforce in Rural America: 2019 (June 2020)
35. Implications of an Aging Rural Physician Workforce (July 2019)
36. Geographic Variation in the Supply of Selected Behavioral Health Providers (June 2018)
37. Characteristics and Distribution of Graduate Medical Education Training Sites: Are We Missing Opportunities to Meet U.S. Health Workforce Needs? (October 2016)
38. Family Medicine Graduate Proximity to Their Site of Training: Policy Options for Improving the Distribution of Primary Care Access (February 2015)
39. The Future of Family Medicine and Implications for Rural Primary Care Physician Supply (August 2010)
40. The Challenge of Providing Doctors for Rural America (August 2005)
41. The Geographic Distribution of Physicians Revisited (July 2005)

Pertaining to Rural Health Care Workforce Initiatives:

42. AMA Press Release: AMA tackles rural health care challenges by addressing workforce gaps (November 2021)
43. Investing in a Health Workforce that Meets Rural Needs (February 2021)
44. Profiles of Rural Medical Educators: Conversations with Our Nation’s Experts on Reversing Rural Physician Shortages (August 2020)
45. Confronting Rural America’s Health Care Crisis (April 2020)
46. AAMC News: Attracting the next generation of physicians to rural medicine (February 2020)
47. New AAFP Initiative Addresses Rural Health Care Crisis (September 2019)
48. California Oregon Medical Partnership to Address Disparities in Rural Education and Health (COMPADRE) – an AMA Reimagining Residency grantee (June 2019)
49. Context Counts: Training Health Workers in and for Rural and Remote Areas (October 2010)

Pertaining to Rural Practice Competency:

50. The Role of Rural Graduate Medical Education in Improving Rural Health and Health Care (2021)
51. Competency Revisited in a Rural Context (2018)

Pertaining to GME Financing in Rural Areas:

52. New Opportunities for Expanding Rural Graduate Medical Education to Improve Rural Health Outcomes: Implications of the Consolidated Appropriations Act of 2021 (September 2022)
53. CMS Finalizes Rules for Distribution of 1000 New Medicare-Funded Residency Positions and Changes to Rural Training Track Programs (April 2022)
54. Federal Bills Raise Cap on Medicare-Funded Residency Positions and Modify Graduate Medical Education Policies (August 2021)
55. Rural Residency Training as a Strategy to Address Rural Health Disparities: Barriers to Expansion and Possible Solutions (August 2021)
56. Graduate Medical Education Financing: Sustaining Medical Education in Rural Places (May 2015)

Resources for Rural Health Research and Information:

57. Rural Health Research Gateway
58. Rural Health Information Hub
59. The Collaborative for Rural Primary care, Research, Education, and Practice (Rural PREP)
60. Rural Program Directors University (PDU)
61. National Rural Health Association
   • Rural Medical Education Conference
   • The Journal of Rural Health

Resources for Starting Rural Tracks/Programs:

62. The RTT Collaborative
63. RuralGME
64. Starting a Rural Training Track (Wisconsin Collaborative for Rural GME)
65. Area Health Education Center (AHEC)
