Osteopathic Neuromusculoskeletal Medicine Update

Session: SES046

Presentation: February 24, 2023
Conflict of Interest Disclosure

Speakers
Stacey Pierce-Talsma, DO – Chair, Review Committee for Osteopathic Neuromusculoskeletal Medicine
Tiffany Moss, MBA – ACGME Executive Director

Disclosure
None of the speakers for this educational activity have relevant financial relationship(s) to disclose with ineligible companies whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients.
Objectives

- Discuss updates regarding the Review Committee composition.
- Provide announcements of recent determinations made by the Review Committee.
- Review important reminders about the accreditation process.

Review Committee Composition
Osteopathic Neuromusculoskeletal Medicine

Review Committee Members
ACGME RC Members listed below are active between July 1, 2022 and June 30, 2023.

Stacey Pierce-Talsma, DO  Doris B. Newman, DO, FAAO
Chair  Vice Chair

Samuel Hager, DO  Kathy A. Kelly, MA, MS
Resident Member  Public Member

Jennifer Kingery, DO  David C. Mason, DO, MBA, FACOFP
Eric Snider, DO  Mathew A. Zatkin, DO
Common Areas of Non-Compliance
Citations that Result in Warning

- Significant information in ADS is out of date or not reported as requested
- Lack of required faculty identified on the ADS Faculty Roster
- Curricular issues typically identified on the Block Diagram
- Graduates that did not log the minimum patient encounters in the ACGME Case Log System
- Citations and AFIs not addressed by program at subsequent review
- Significant new areas of non-compliance identified since the last review
ACGME & Review Committee Updates
Common Program Requirement Revisions

• Approved by the ACGME Board of Directors in September 2022 with an effective date of July 1, 2023.
• Are the **bold** requirements embedded in every set of specialty Program Requirements.
• There are four sets of Common Program Requirements. The “Residency” set of requirements applies to all formats of the program. ONMM is **never** considered a fellowship.
• New version of the Program Requirements for ONMM are not yet available.
Common Program Requirement Revisions

- Revisions initiated by the ACGME Board of Directors with the intent to reduce burden.

- A burden reduction taskforce was created by the Board to review the CPRs to see if requirements could be removed.

- Edits included removing redundant and unnecessary requirements and combining related requirements.

- Programs are strongly encouraged to review the tracked changes version to identify the new requirements.
### Common Program Requirements Currently in Effect

- **7/1/2022** Common Program Requirements (Residency)
- **7/1/2022** Common Program Requirements (Residency) Tracked Changes Copy
- **7/1/2022** Common Program Requirements (Fellowship)
- **7/1/2022** Common Program Requirements (Fellowship) Tracked Changes Copy
- **7/1/2022** Common Program Requirements (One-Year Fellowship)
- **7/1/2022** Common Program Requirements (One-Year Fellowship) Tracked Changes Copy
- **7/1/2022** Common Program Requirements (Post-doctoral Education Program)
- **7/1/2022** Common Program Requirements (Post-doctoral Education Program) Tracked Changes Copy

### Common Program Requirements Future Effective Date

- **7/1/2023** Common Program Requirements (Residency)
- **7/1/2023** Common Program Requirements (Residency) Tracked Changes Copy
- **7/1/2023** Common Program Requirements (Fellowship)
- **7/1/2023** Common Program Requirements (Fellowship) Tracked Changes Copy
- **7/1/2023** Common Program Requirements (One-Year Fellowship)
- **7/1/2023** Common Program Requirements (One-Year Fellowship) Tracked Changes Copy
- **7/1/2023** Common Program Requirements (Post-doctoral Education Program)
- **7/1/2023** Common Program Requirements (Post-doctoral Education Program) Tracked Changes Copy

Updated Program Requirements
(Effective 7/1/2023)
Site Visits

• May be conducted virtually (via Zoom) or in-person. Site visit announcement letter will confirm modality.

• Black out dates will be requested in advance of scheduling the visit.

• Programs are now required to upload documents in ADS (in addition to updating application documents) prior to the site visit, in lieu of on-site document review.

• ADS must be updated (including application documents) by the deadline given in the site visit notification letter. Updates made after the deadline will not be considered during the review.
Case Log Instructions for ONMM
Calculation of Continuity of Care Patients

- Temporary changes to the continuity of care clinic patient encounter minimum calculation remains in place for the 2023-2024 academic year.

- All ONMM patient encounters that occurred in the inpatient and outpatient setting that were supervised by an NMM board certified or board eligible physician count toward meeting the “continuity of care clinic” patients.
Resident Scholarly Activity Reporting

For reporting year 2022-2023, scholarly activity that occurred during the previous year 2021-2022

You must confirm all residents/fellows with an "unconfirmed" status before completing this section. For each person listed, enter only one year of scholarly activity that occurred during the previous academic year only. First year residents/fellows in the program will not appear on the list below.

To add scholarly activity, click the "Add" button. If there was no scholarly activity for that person during the previous academic year, click the "No Activity" button.

Change the academic year to view past scholarly activity. Previous years of scholarly activity are not editable.

# Resident Scholarly Activity Reporting

<table>
<thead>
<tr>
<th>How should required resident scholarly activity be reported in ADS?</th>
<th>The Review Committee expects that required resident scholarly activity be reported in ADS in the following categories:</th>
</tr>
</thead>
</table>
| [Program Requirements: IV.D.3.a)-IV.D.3.a)(1)(c)] | - Original paper on a neuromusculoskeletal medicine topic suitable for publication: “PMID, Other Publications, or Chapters/Textbooks”  
  - If a paper was not published, it should be reported in the “Other Publications” category. The Review Committee understands the description provided for this category in ADS does not align with this directive.  
- Presented scholarly project, within the scope of neuromusculoskeletal medicine: “Conference Presentations or Teaching/Presentations”  
- Preparation and presentation of a neuromusculoskeletal medicine-related topic at a state, regional, or national meeting: “Conference Presentations or Teaching/Presentations” |

The Review Committee defines “regional meeting” (in the context of the scholarly activity requirement IV.D.3.a)(1)(c)) as a meeting at which the participants are from more than one ACGME-accredited program.
ADS Annual Update
Annual ADS Update

• Scheduled period of time at the beginning of each academic year when programs are required to review, update, and provide newly required information in ADS.

• Accredited programs must ensure their information is updated during this period.

• The Program Director is responsible for all information contained in ADS about the program and must review the Annual Update information prior to submission to the DIO.
Annual Update

Date Required by: September 24, 2021
Complete: Yes
Completion Date: September 23, 2021
DIO Approved: No Information Currently Present

All required sections of the annual update are listed below and are available throughout the academic year by accessing the main menu.

Program Information

- You must have a primary clinical site.
- Update the clinical experience and educational work section.
- Update responses for all current citations.
- Update the major changes section.

Important Dates

- Annual Update Status:
  Jul 19, 2021 - Sep 24, 2021
- DIO Approved: Sep 21, 2021
- Self-Study Due Dates:
  Postponed
- 10-Year Site Visit:
  Postponed
- Surveys:
  - Jan 31, 2022 - Apr 03, 2022
- Milestone Evaluations:
  - Nov 01, 2021 - Jan 14, 2022
- Annual Reporting Cycle

©2022 ACGME
Common Issues Resulting from the Annual Update

- Major Changes and Other Updates response did not contain the necessary information.
- Block Diagrams not updated or not updated properly.
- Sites do not reflect the sites used for current experiences and/or the site directors identified are not current.
- Residents not entered in ADS properly and/or not promoted to next year in program.
- Faculty Roster not updated with current faculty.
- Certification not entered properly.
- Licensure not updated.
- Scholarly activity not reported.
Major Changes

Major Changes and Other Updates

Provide a brief update explaining any major changes and any other updates to the educational program in the last year, e.g. changes in program leadership and faculty, rotational changes, curricular innovations, program challenges, efforts to address issues identified in the annual ACGME surveys, and the impact of the COVID-19 pandemic on your resident/fellow education.

(Last Updated: Sep 13, 2022)
Major Changes

- Program director, core faculty, and other faculty member changes.
- Changes to participating sites.
- Changes to the curriculum (didactics, rotations offered, etc.)
- Temporary changes to the curriculum necessitated by COVID-19.
- Identify if residents were allowed to graduate without meeting all patient encounter minimums and why. The program should also refer to the related FAQ.
- Detail actions taken by the program to address areas on non-compliance on the Resident and/or Faculty Survey.
Block Diagram, Sites, & Site Directors

- Block Diagram must be updated through the Sites tab, using the guidance in Block Diagram Guide.

- The sites on the Sites tab must align with the sites on the Block Diagram.

- New Site Directors must be added to the Faculty Roster in ADS, then the site may be edited to updated the identified site director.
Faculty Roster Key Terms

Faculty Instructions

List the physician faculty members who provide required instruction and supervision of residents in the program. The following physician faculty members must be listed on this roster:

- All neuromusculoskeletal medicine specialists (Only AOBNMM board certified or board eligible).
- Physicians that supervise the required selective rotation experiences [PR IV.C.8.e)(2).a-IV.C.8.e)(2).d and IV.C.8.f)(2)-IV.C.8.f)(4)], which may be limited to one physician coordinator for each specialty or subspecialty experience. For example, a resident may work with a team of physicians during a neurological surgery rotation. Only one of those physicians, that serves to coordinate the rotation experience and evaluation, must be listed.
- Site directors identified for the program’s participating sites (if applicable).
- Physicians that supervise the required ONMM1 rotation experiences (if applicable).

Note: The program will be required to report scholarly activity for all faculty members listed on this roster. However, only the faculty members identified by the program as "core," will be invited and required to complete the annual ACGME faculty survey.

Download Faculty CV Template
Faculty Roster Instructions

The selective rotations listed on the Block Diagram as required or a choice for a resident to select, must have a physician listed on the roster that supervises the rotation experience (and has appropriate board certification.

- Must be board certified in the specialty or subspecialty. (Ex. Occupational medicine and pain medicine)
- Exception: Podiatrists must be listed on the non-physician roster with appropriate qualifications.
Review Citations
Citations

There are no current citations.
## Citations

### Instructions

Provide a brief update on each previous citation(s) and how they have been addressed, if applicable.

In order to complete this step during the Annual Update, there must be a response for each citation.

If a Progress Report or Clarifying Information has been requested, those responses cannot be entered here. For those communications, a PDF version of the signed response must be emailed directly to the appropriate committee.

### Accreditation Citation(s)

<table>
<thead>
<tr>
<th>Meeting Date</th>
<th>Response Date</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>04/07/2022</td>
<td>09/23/2022</td>
<td>IV.A. The curriculum must contain the following educational components: (Core) IV.A.2. competency-...</td>
</tr>
<tr>
<td>04/07/2022</td>
<td>09/23/2022</td>
<td>VI.A.1.b),(2) Quality Metrics VI.A.1.b),(2),(a) Residents and faculty members must receive data on...</td>
</tr>
</tbody>
</table>
Citation Responses

- Responses must address the concern/issue noted in the citation text and note how the program is addressing it. The program must detail what changes have been made and whether the issue has been resolved. If it is not resolved, then the response should detail the steps taken and when it is anticipated to be resolved.

- Citation responses must be provided annually in ADS.

- Responses will be reviewed by the Review Committee at the program’s next review. (Note: Programs on Initial Accreditation will be asked to provide a response to a citation during several ADS Annual Updates prior to review by the Review Committee.)
Areas for Improvement (AFIs)

• May be given by the Review Committee at any review.

• Communicated in the Letter of Notifications in the section following the citations.

• Not listed in ADS like the citations, because they do not require a formal response.

• The Review Committee expects that the areas of possible non-compliance must be quickly addressed.
Faculty Board Certification

- AOA & ABMS Board Certification data is being provided in ADS from the respective certifying boards.
- Board eligibility is not transmitted by the boards and auto populated.
- Board Certification information must be reviewed for accuracy and missing data.
- Missing information must be added by the program.
- Note: A physician is not board certified until the board sends communication stating they are board certified. Receiving passing scores on all necessary exams does not mean the physician is immediately board certified.
### ABMS Certification

The following information was imported from ABMS and is read only.

<table>
<thead>
<tr>
<th>Board Name</th>
<th>Certification Name</th>
<th>Status</th>
<th>Duration Type</th>
<th>Initial Date</th>
<th>End Date</th>
</tr>
</thead>
<tbody>
<tr>

<td></td>
</tr>
</tbody>
</table>

- Data imported monthly from ABMS. Date of last import listed above.
- Data is matched to each faculty using name, National Provider ID (NPI), date of birth and medical school graduation year.
  - If the information provided by the program is entered incorrectly, no ABMS match will occur or the match may be inaccurate.
  - If faculty recently obtained new certification or updated their certification status, the ABMS information may not appear until the next monthly import.
  - If a faculty member is new to the ACGME database, ABMS certification data will appear here within 24 hours.

</tr>
</tbody>
</table>

- Data is matched to each faculty using name, National Provider ID (NPI).
- If the information provided by the program is entered incorrectly, no AOA match will occur or the match may be inaccurate.
- If a faculty member is new to the ACGME database, AOA certification data will appear here within 24 hours.
- If a faculty member recently updated their certification status (recertified or expired), the AOA information may not appear for up to 7 days.

This information is proprietary data maintained in a copyrighted database compilation owned by the American Osteopathic Association. © 2022 American Osteopathic Association. All rights reserved.

### Specialty Certification - Manual Entries

Only complete this section if the faculty member has additional certifications, is board eligible, is not certified or ABMS/AOA data above is inaccurate or missing.
Board Certification & Licensure

• Do not identify achievements in the certification section that are not Board Certifications.

• State licensure has expiration dates. The dates must be updated in ADS when renewed.
Program Summary

Approximate Date of Next Site Visit: No Information Currently

Program Summary

- View Summary
- Print Summary PDF
ADS Support

• Programs are responsible for keeping their information updated in ADS and reporting required information on time.

• Programs that have problems updating or reporting information in ADS must seek assistance from an ADS representative or from Review Committee staff.

• It is not acceptable to the Review Committee for programs to not seek assistance when it is necessary. (Ex. Preparing for a site visit by updating ADS information)
Reminders
Site Directors

- ADS requires that each participating site listed in ADS have a site director identified, which must be listed on the Faculty Roster.
- If a site director is not required, the program director should be selected.
- The site director is expected to provide clinical services at the site.
Frequency of Evaluation

- Evaluation must be documented at the completion of the assignment.
- Assignments lasting longer than three months require that residents are evaluated at least every three months.
- E.g. Residents must receive continuity clinic evaluations every three months.
Final Evaluation

- Must be completed by the program director.
- Must verify “verify that the resident has demonstrated the knowledge, skills, and behaviors necessary to enter autonomous practice.”
- Must have all AOA accreditation terminology removed.

The ACGME is proud to present the ACGME Equity Matters learning path to the medical education community. The modules in the learning path provide diverse perspectives while raising historical and current injustices in the medical education system in an organized and intentional way. The materials are designed for organizations at an advanced equity level that includes support of their leadership, resources, and infrastructure commitments toward making meaningful change. To ensure a safe environment and to avoid perpetuating harm, it is recommended to use this material within the structured pathway and under the proper guidance of a trained facilitator if used with large groups.

Link:  https://dl.acgme.org/
These self-directed curricula provide the fundamentals of DEI and will enable participants to move through progressively more complex concepts.

- Trauma-Responsive Cultures
- Steps Leaders Can Take to Increase Diversity, Enhance Inclusion, and Achieve Equity
- Naming Racism and Moving to Action Part
- Women in Medicine
- Exposing Inequities and Operationalizing Racial Justice
- Patient Safety, Value, and Healthcare Equity: Measurement Matters
- American Indian and Alaskan Natives in Medicine
- And many more!

The ACGME designates this enduring material for a maximum of 18.0 AMA PRA Category 1 Credits™.
Faculty Development Courses

- Foundations of Competency-Based Medical Education
- Managing your Clinical Competency Committee
- Multi-Source Feedback
An ACGME listening session focused on creating a space for program directors to share experiences and hear from peers regarding issues related to program director well-being.

Join the event for an open discussion of challenges faced by program directors and potential solutions.

- April 11, 2023
- Registration required
Thank You!
