

2016 Annual
EDUCATIONAL CONFERENCE

Forging Ahead

NMM Program Director Workshop

Specialty Update:
Osteopathic
Neuromusculoskeletal
Medicine

DISCLOSURES

No financial conflicts of interest to report.

OBJECTIVES

- Identify where ONMM resources can be located.
- Review recent requirement revisions and FAQ updates.

ACGME WEBPAGE – WWW.ACGME.ORG

The screenshot shows the ACGME website homepage. At the top right, there are navigation links: Contact, About ACGME, Awards, and Publications. On the left is the ACGME logo and the text "Accreditation Council for Graduate Medical Education". A search bar is located in the top right. Below the navigation is a red horizontal bar with four menu items: Program and Institutional Accreditation, Data Collection Systems, Meetings and Conferences, and Graduate Medical Education. The main content area features a large image of a diverse group of healthcare professionals. Below the image is the heading "Pursuing Excellence in Clinical Learning Environments" and a paragraph of text. To the right of the image is a "Quick Links" section with tabs for RESIDENTS, PD / COORDINATORS, and DIOs. The RESIDENTS tab is active, showing a list of links: Resident Services, Resident Case Log System, ACGME Surveys, Duty Hours, Complaints, GME Focus, Journal of Graduate Medical Education, and Review and Comment. At the bottom of the screenshot, there is a "SUGGEST YOUR REPLY" button.

ACGME WEBPAGE – WWW.ACGME.ORG

The image shows a screenshot of the ACGME website homepage. At the top left is the ACGME logo, a stylized red 'A' with 'ACGME.' below it. To its right is the text 'Accreditation Council for Graduate Medical Education'. In the top right corner, there is a navigation bar with links for 'Contact', 'About ACGME', 'Awards', and 'Publications'. Below this is a search bar with the text 'SEARCH...' and a magnifying glass icon. A large blue arrow points from the top center towards the 'Program and Institutional Accreditation' link in the main navigation bar. This link is also circled in blue. The main navigation bar contains four red buttons: 'Program and Institutional Accreditation', 'Data Collection Systems', 'Meetings and Conferences', and 'Graduate Medical Education'. Below the navigation bar is a large photograph of a diverse group of healthcare professionals in scrubs. Underneath the photo is the heading 'Pursuing Excellence in Clinical Learning Environments' and a paragraph of text: 'The ACGME recognizes that the best solutions often come from shared learning. With the support of partnering organizations in health care quality and education, the ACGME is launching a new initiative to'. To the right of the main content is a 'Quick Links' section with tabs for 'RESIDENTS', 'PD / COORDINATORS', and 'DIOs'. The 'RESIDENTS' tab is selected. Below the tabs is a list of links: 'Resident Services', 'Resident Case Log System', 'ACGME Surveys', 'Duty Hours', 'Complaints', 'GME Focus', 'Journal of Graduate Medical Education', and 'Review and Comment'. At the bottom of the page, there is a small search bar with the text 'SUGGEST YOUR SUGGESTION'.

ONMM PAGE

The screenshot shows the ACGME website interface. At the top left is the ACGME logo. To its right is the text "Accreditation Council for Graduate Medical Education". A search bar is located in the top right corner. Below the header is a navigation bar with four red buttons: "Program and Institutional Accreditation", "Data Collection Systems", "Meetings and Conferences", and "Graduate Medical Education". The "Program and Institutional Accreditation" button is highlighted, and a sub-menu item "Osteopathic Neuromusculoskeletal Medicine" is selected. The main content area is titled "Osteopathic Neuromusculoskeletal Medicine". On the left side, there are sections for "Guide to Construction of an Osteopathic Neuromusculoskeletal Medicine Program Block Diagram", "Program Requirements Currently in Effect" (listing "Osteopathic Neuromusculoskeletal Medicine" with a date of "2/8/2016"), "Milestones" (listing "Osteopathic Neuromusculoskeletal Medicine"), and "New Applications" (with a sub-section for "Osteopathic Neuromusculoskeletal Medicine"). On the right side, there is a "STAFF" and "RC MEMBERS" section. Under "STAFF", two members are listed: "Moss, Tiffany" (Executive Director, Osteopathic Accreditation, email: tmoss@acgme.org, phone: 312.755.5490) and "Weigle, Julia" (Accreditation Administrator and Executive Assistant to the Senior Vice President, Osteopathic Accreditation). Below this is a "Common Resources" section with links to "ACGME Glossary of Terms", "Appointment Process for ACGME Review Committee Members", "Application Instructions", and "CLER".

Requirement Revisions

REQUIREMENT REVISIONS

- Revisions approved by the ACGME Board of Directors on February 8, 2016.
- Revisions effective February 8, 2016.
- Posted on the ONMM webpage February 23, 2016.

OVERVIEW OF REQUIREMENT REVISIONS

- Addition of a 2nd pathway for completion of an ONMM program.
- Changes to the required rotations.
- Changes in the required number of faculty members.
- Addition of case log requirements.

PATHWAYS TO COMPLETION

Pathway	1	2
Length of training	24 months	12 months
Entry point	ONMM1 level	ONMM2 level
Training prior to entry	Transitional year, 1 st yr of Family Medicine, 1 st yr of another residency program [^] **	Residency program ^{** ^ ^}
AOA program comparison	NMM/OMM (2 yr)	NMM/OMM Plus One (1 yr)

[^]Must be able to complete outlined rotations during the first year.

^{^ ^}Must complete a minimum of 12 months of NMM rotations.

^{**}Must have been in an osteopathic-focused position in a program with Osteopathic Recognition or have been in an AOA-approved program.

PATHWAY 1 ONMM LEVEL 1 ENTRY

PATHWAYS TO COMPLETION

Pathway	1	2
Length of training	24 months	12 months
Entry point	ONMM1 level	ONMM2 level
Training prior to entry	Transitional year, 1 st yr of Family Medicine, 1 st yr of another residency program [^] **	Residency program ^{** ^ ^}
AOA program comparison	NMM/OMM (2 yr)	NMM/OMM Plus One (1 yr)

[^]Must be able to complete outlined rotations during the first year.

^{^ ^}Must complete a minimum of 12 months of NMM rotations.

^{**}Must have been in an osteopathic-focused position in a program with Osteopathic Recognition or have been in an AOA-approved program.

PATHWAY 1 – ONMM1 LEVEL OF ENTRY

Eligibility Exception:

If a resident has completed a ACGME-accredited program, but not in an osteopathic-focused position of an ACGME-accredited program with Osteopathic Recognition, the program director **may allow** the resident to enter the program if he/she meets the following criteria: (Core)

PATHWAY 1 – ELIGIBILITY EXCEPTION

Graduates of a medical school not accredited by COCA, prior to matriculation, must have **sufficient background and/or instruction** in osteopathic philosophy and techniques in manipulative medicine to prepare them to engage in the curriculum of the program including:

- osteopathic philosophy, history, terminology, and code of ethics;
- anatomy and physiology related to osteopathic medicine;
- indications, contraindications, and safety issues associated with the use of osteopathic manipulative treatment; and,
- palpatory diagnosis, osteopathic structural examination, and osteopathic manipulative treatment.

PATHWAY 1 – ONMM1 LEVEL OF ENTRY

No. of Rotations (1 month each)	Rotations
Minimum 8	ONMM - Outpatient
Minimum 4	ONMM - Inpatient
Pick 2	Neurological surgery, <u>occupational medicine</u> , orthopaedics, <u>podiatric medicine</u> , sports medicine
Pick 2	Neurology, physical medicine and rehabilitation, rheumatology
Pick 1	<u>Diagnostic radiology</u> , musculoskeletal radiology, pain management
Remaining	Electives

PATHWAY 1 – ONMM1 LEVEL OF ENTRY

No. of Patient Encounters	Patient Type**
50	Surgical Diagnosis
50	Pediatric Diagnosis
50	Obstetrical and gynecological Diagnosis
50	Hospital Consultation

Residents:

- **Must evaluate and provide osteopathic manipulative treatment.
- **Must be responsible for osteopathic evaluation and treatment.
- **Must be supervised by a specialist in ONMM.

PATHWAY 1 – ONMM1 LEVEL OF ENTRY

Continuity of Care Clinic:

- 3 half-days per week
- Minimum of 250 designated (panel) patients
- 1,000 patient care encounters

PATHWAY 2 ONMM LEVEL 2 ENTRY

PATHWAYS TO COMPLETION

Pathway	1	2
Length of training	24 months	12 months
Entry point	ONMM1 level	ONMM2 level
Training prior to entry	Transitional year, 1 st yr of Family Medicine, 1 st yr of another residency program [^] **	Residency program ^{** ^ ^}
AOA program comparison	NMM/OMM (2 yr)	NMM/OMM Plus One (1 yr)

[^]Must be able to complete outlined rotations during the first year.

^{^ ^}Must complete a minimum of 12 months of NMM rotations.

^{**}Must have been in an osteopathic-focused position in a program with Osteopathic Recognition or have been in an AOA-approved program.

PATHWAY 2 – ONMM2 LEVEL OF ENTRY

Eligibility:

ACGME-accredited residency program with Osteopathic Recognition (in an osteopathic-focused position).**

And

Completion during that residency of a minimum of 12 months of rotations required for the ONMM program.

** Completion of a AOA-approved residency program is also acceptable.

PATHWAY 2 – ONMM2 LEVEL OF ENTRY

FAQ – Patient Encounters

Question	Answer
<p data-bbox="40 501 653 711">Does the Review Committee recommend that residents have exposure to an osteopathic neuromusculoskeletal medicine clinic during their primary residency to prepare them for entry into the ONMM2 level?</p> <p data-bbox="40 749 653 788"><i>[Program Requirement: III.A.1.a).(2).(a).(i)]</i></p>	<p data-bbox="658 501 1883 678">Yes, the Review Committee does recommend, though does not require, that a resident have exposure to an osteopathic neuromusculoskeletal medicine clinic, supervised by a neuromusculoskeletal specialist, in his/her primary residency. The Review Committee would recommend the following patient encounters to help prepare a resident for entry into the ONMM2 level of the program:</p> <ul data-bbox="710 682 1839 1076" style="list-style-type: none"><li data-bbox="710 682 1839 721">• a minimum of 300 clinic patient encounters<li data-bbox="710 725 1839 763">• a minimum of 75 designated continuity of care clinic panel patient encounters<li data-bbox="710 768 1839 863">• a minimum of 15 documented patient contacts with a variety of surgical diagnoses, where an evaluation was completed and osteopathic manipulative treatment was provided<li data-bbox="710 868 1839 963">• a minimum of 15 documented patient contacts with a variety of pediatric diagnoses, where an evaluation was completed and osteopathic manipulative treatment was provided<li data-bbox="710 968 1839 1076">• a minimum of 15 documented patient contacts with a variety of obstetrical and gynecology diagnoses, where an evaluation was completed and osteopathic manipulative treatment was provided

PATHWAY 2 – ONMM2 LEVEL OF ENTRY

Responsibilities of Program Director & Resident Selection Committee:

- The program director and resident selection committee must complete an assessment of each applicant's suitability to enter the program based on prior training and review of the summative evaluation of training in the primary residency. (Core)
- Within six weeks of matriculation, the program director must complete a Milestones evaluation of each resident for the purposes of establishing baseline performance by the Clinical Competency Committee. (Core)

PATHWAY 2 – ONMM2 LEVEL OF ENTRY

Eligibility Exception:

- Program Directors may grant an eligibility exception based on the assessment completed by the program director and the resident selection committee.
- Training must be extended beyond 12 months, not to exceed 24 months, for completion of any rotations that are required for entry into the ONMM2 level but that were not completed prior to entry.
- If the resident does not meet the expected level of Milestones competency following entry into the program, the resident must undergo a period of remediation, which must not count toward time in residency training.

PATHWAY 2 – ONMM2 LEVEL OF ENTRY

No. of Rotations (1 month each)	Rotations
Minimum 4	ONMM - Outpatient
Minimum 2	ONMM - Inpatient
Minimum of 6	Neurological surgery, <u>occupational medicine</u> , orthopaedics, <u>podiatric medicine</u> , sports medicine
	Neurology, physical medicine and rehabilitation, rheumatology
	<u>Diagnostic radiology</u> , musculoskeletal radiology, pain management
	Electives

Rotations should be chosen based on rotations completed in the primary residency.

PATHWAY 2 – ONMM2 LEVEL OF ENTRY

No. of Patient Encounters	Patient Type**
35	Surgical Diagnosis
35	Pediatric Diagnosis
35	Obstetrical and gynecological Diagnosis
35	Hospital Consultation

Residents:

**Must evaluate and provide osteopathic manipulative treatment.

**Must be responsible for osteopathic evaluation and treatment.

**Must be supervised by a specialist in ONMM.

PATIENT ENCOUNTERS

No. of Patient Encounters		Patient Type**
ONMM1	ONMM2	
50	35	Surgical Diagnosis
50	35	Pediatric Diagnosis
50	35	Obstetrical and gynecological Diagnosis
50	35	Hospital Consultation

Residents:

- **Must evaluate and provide osteopathic manipulative treatment.
- **Must be responsible for osteopathic evaluation and treatment.
- **Must be supervised by a specialist in ONMM.

PATHWAY 2 – ONMM2 LEVEL OF ENTRY

Continuity of Care Clinic:

- 3 half-days per week
- Minimum of 175 designated (panel) patients
- 700 patient care encounters

CONTINUITY CLINIC REQUIREMENTS

Pathway 1 – ONMM1 Level	Pathway 2 – ONMM2 Level
3 half-days per week in clinic	3 half-days per week in clinic
Min. 250 clinic (panel) patients	Min. 175 clinic (panel) patients
1,000 patient care encounters	700 patient care encounters

FACULTY REQUIREMENT CHANGES

REQUIRED NUMBER OF FACULTY MEMBERS

II.B.6.

There must be ~~at least one faculty member for every six residents~~ a minimum of two AOBNMM-certified, AOBSPOMM-certified, or board-eligible faculty members, including the program director. (Core)

IV.A.6.g).(4).(c)

The resident-to-faculty ratio at the continuity clinic ~~must~~ should not exceed ~~4~~ 6-to-1. (Core-Detail)

ONMM CASE LOGS

CASE LOG REQUIREMENTS

The program director must:

- I.A.1.a) ensure that all residents achieve the required competencies and outcomes by completion of the program; and, ^(Core)
- I.A.1.b) ensure that residents regularly log cases in the ACGME Case Log System. ^(Core)
 - I.A.1.b).(1) The logs must be submitted annually to the Review Committee in accordance with the specified format and due date. ^(Core)
 - I.A.1.b).(2) The record must be reviewed by the program director at least semi-annually. ^(Core)

CASE LOGS

- ACGME Case Log system is under development.
- Scheduled availability for logging on July 1, 2016.
- RC will communicate logging expectations and availability in the coming months.

CASE LOG FAQ

<p>How do residents access the ACGME Case Log System? Is there a fee to use the system? How do residents know what to log?</p> <p><i>[Program Requirement: II.A.4.s]</i></p>	<p>Program directors and residents will receive login information for the ACGME Case Log System, which is accessible through a link on the ACGME website. The Case Log System is a web-based system.</p> <p>There is no additional fee to programs or residents to use the system.</p> <p>The osteopathic neuromusculoskeletal medicine portion of the Case Log System is still under development, and more information, including what residents are expected to log, will be provided once it is finalized.</p>
