A nominee must be able to serve a two-year term beginning July 1, 2026. ### **Responsibilities of the Review Committee Resident Member**

The resident member participates as a full voting member in all Review Committee activities, including program review and policy discussion. The resident member is subject to the same confidentiality, conflict of interest, duality of interest, and fiduciary responsibility policies as the other members.

Time devoted to the Review Committee includes several hours to program review before each Review Committee meeting, subcommittee work as assigned, prep time for each Review Committee meeting to review agenda items and related documents, and travel/attendance for each Review Committee meeting. Review Committee members must attend all Review Committee meetings.

The resident member is also a member of the ACGME Council of Review Committee Residents (CRCR). The CRCR is composed of the resident members of each Review Committee and provides valuable input and feedback to the ACGME Board of Directors about matters related to residents, graduate medical education, and accreditation.

### **Selection Process**

The Review Committee will review nominations and forward its selection for the next resident member to the ACGME Board of Directors for approval.

### **To Submit a Nomination**

To nominate a resident/fellow, a program director must submit a letter of recommendation. The letter must state that if chosen, the nominee will have sufficient time to review programs, attend Review Committee and CRCR meetings, and participate in activities of the Review Committee and the ACGME as expected. The resident/fellow must complete a nomination form, which can be requested from Associate Executive Director Shellie Bardgett ([sbardgett@acgme.org](mailto:sbardgett@acgme.org)).

Email the letter of recommendation, completed nomination form, and the resident's/fellow's curriculum vitae to Associate Executive Director Shellie Bardgett ([sbardgett@acgme.org](mailto:sbardgett@acgme.org)) by July 25, 2025. A member of the Review Committee staff at the ACGME will confirm receipt of the nomination.

### **Additional Information**

The Review Committee meets three times per year in January/February, April, and September. The January/February meeting is two and half days, and the April and September meetings are two days in length.

The CRCR meets twice per year, for two days, in May and September.

All meetings take place at the ACGME office in Chicago, Illinois, and all meeting-related expenses are covered by the ACGME.
