

Solicitation of Review Committee Public Member Nominees Review Committee for Plastic Surgery

The goals for including a public member on each Review Committee include: introducing the perspective of the public; fostering accountability to the needs of the public; enriching the work of the committees through outside expertise; and creating transparency to the work of the Review Committees.

The Review Committee for Plastic Surgery is currently soliciting nominees for its next public member. When selecting a qualified candidate, the Committee is trying to address its current needs while maintaining geographic distribution and a range of perspectives among its membership. Examples of needs areas include:

- a) Patient safety
- b) Public health
- c) Informatics
- d) Health care administration
- e) Advocacy
- f) Health policy
- g) Program evaluation
- h) Statistics/epidemiology
- i) Business leadership

In making its selection, the Committee will use the following criteria:

1. Nominees should have evidence of a distinguished and advanced career.
2. Nominees should have experience working in a committee structure and be willing and able to commit to the goals and objectives of the Review Committee.
3. Nominees should have demonstrated a history of leadership and membership in public organizations.
4. Nominees must not be physicians; nurses and affiliated health care providers are permitted.
5. Nominees must not be a member or employee of an organization that has a vested interest in the outcome of the work of the Review Committee.
6. Nominees must be able to maintain the confidentiality of the work of the Review Committee.
7. Due to the current composition of the Review Committee membership, individuals must not be nominated from:
 - a) California
 - b) Connecticut
 - c) Massachusetts

- d) Missouri
 - e) New York
 - f) Ohio
 - g) Tennessee
 - h) Washington
8. Nominees must be skilled in the use of computers and electronic systems.
 9. Nominees must be able and willing to devote sufficient time to the Review Committee's work.

The public member participates as a full voting member in all Review Committee activities, including program review and policy discussion. The public member is subject to compliance with the same confidentiality, conflict of interest, duality of interest, and fiduciary responsibility policies as the other members.

The public member must attend two Review Committee meetings per year. The Review Committee for Plastic Surgery meets in January and April of each year. Review Committee meetings are one-day meetings. Review Committee members must be able to devote approximately 30 hours to program review before each meeting. Preparation for the meetings is undertaken over a period of one to two months preceding the meetings. All related travel and meeting expenses are covered by the ACGME.

In addition to the Review Committee meetings, the selected candidate will be required to attend a new member orientation/observational meeting(s), and two Council of Public Members meetings annually. The term of the appointment is six years.

If interested in submitting a nomination (self-nominations are encouraged), complete the attached nomination form and send it, along with the the nominee's complete curriculum vitae, by **Friday, August 21, 2026** to Associate Executive Director Aimee Morales at amorales@acgme.org.
